Trails

Terrain is suitable for beginner to intermediate riders, and enjoyed by competitive riders in training. Trails now consist of one to eight hour loops, and for the more adventurous, you can travel further distances and arrange for one of our staff to pick you and your horse up at your destination point. Want more riding? Yes, we also have nearby County Forests that you can trailer to within minutes and enjoy other 20 - 25 kilo. loops. Maps are provided, as trails are continuing to be developed.

Our facilities offer hot showers, flush toilets, swimming pool, hot tub, cookhouse, and use of arena when staying overnight. Campgrounds have four (4) electric & water hook up sights, 7 indoor stalls, 4 outdoor stalls, 10 portable stalls and endless picket lines among the trees.
